Not Your Regular Trade Show

The Middle East Organic and Natural Product Expo is the leading platform in the MENA region for wholesale and retail trade of organic, natural, halal, vegan, and sustainable products. 25% Consumers believe that there aren't enough healthy products available in stores despite 60% increase in shelf space for organic products in the last few years. Millennials are driving growth as they prioritize healthy eating and use of clean products, also thanks to the growing population at 18.9%. In a nutshell, the opportunity for suppliers is to expand into a market with lesser competition and steady growth, to develop a year-round supply chain.
